Versatile, hygienic hospital bed

REF. HB59439BTT

AHF

A MEDJUNIC COMPANY

The **ACTILIT** 5-function electric medical bed has been specially designed for **hospitals**. Its **connecting rod mechanism** offers comfort, ease of use and convenience to both patients and staff, facilitating daily cleaning. Its various options and accessories cater to the needs of patients with different conditions. Finally, our wide range of colours and panels allows for customising, humanising the bed and adapting it to the functional and aesthetic constraints of the hospital ward.

## Technical specifications
