

TML5 Fixed, Laminate

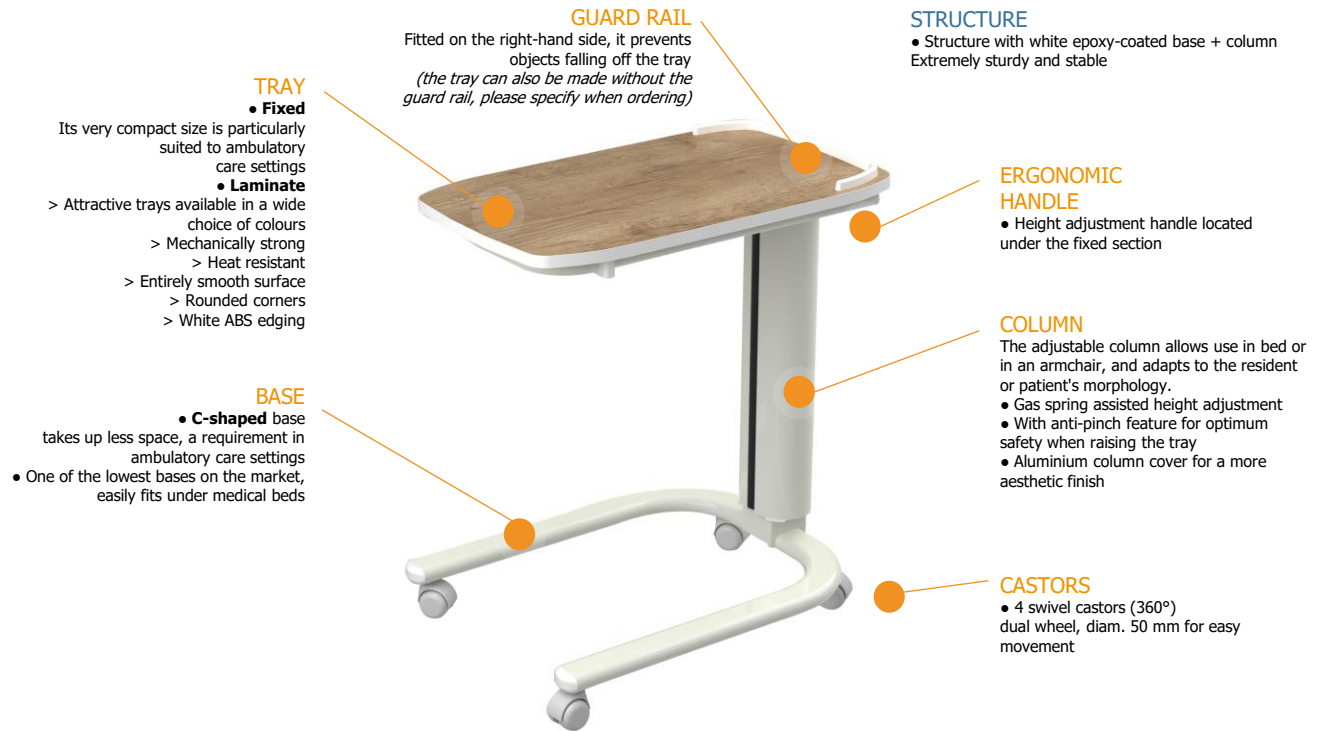

Overbed table / C-shaped base, fixed laminate tray

REF. GHTML5PF-S (supplied assembled, also available in kit form: see options)

The **TML5** overbed tables have been specially designed for ambulatory care setting and feature a smaller base to take up less space. The **GHTML5PF-S** version consists of a **C-shaped (ambulatory care) base** and a **mechanically strong fixed laminate tray available in wide choice of colours**. AHF manufactures and offers its customers a wide range of tray types and materials (laminate, polymer and compact laminate), as well as different customisations. Our design department is also on hand to create bespoke versions to your specifications.

Technical specifications
