

MONTARCHER armchairs

Long Stay Seating

Beech wood frame, Tilting or fixed backrest

REF. MONTARCHERFI, MONTARCHERFF

The **MONTARCHER** armchairs have been specially designed for residential facilities for the elderly. Thanks to the combination of wood and fabric, combined with the ergonomic upholstery, our MONTARCHER range is one of our most popular for nursing home bedrooms. Our numerous different fabrics will allow you to match your chairs to the bedroom decoration. Our design department is also on hand to create bespoke versions to your specifications. AHF makes and adapts two versions of the armchair, fixed backrest (MONTARCHERFF) and tilting backrest (MONTARCHERFI).

Technical specifications

SEAT & BACK

- Polyether foam covered with fabric: GINKGO (textured) or URBAN (smooth)
- **Customisable fabric** (see our colour chart for the numerous colours)

- Entirely removable upholstery covers to allow complete decontamination of the armchair
- Hygienic & Practical**

STRUCTURE

- Metal frame and solid beech wood legs
- Natural wood as standard (colourless varnish), whitened beech or Wenge stain on request

MONTARCHERFI
with tilting backrest

MONTARCHERFF
with fixed backrest

ARMRESTS

- Ergonomic with rounded shapes for resident comfort and ease of use
- 61 cm long with a profiled width of 6.4 cm at the front of the chair tapering to 3.5 cm at the back

TILT LEVER (MONTARCHERFI ONLY)

- Ergonomic bilateral handles
- Back angle adjustable between 100 and 150° (backrest is gas spring assisted and synchronised with the seat which slides into an adapted position)

LEGS

- With polyethylene non-marking pads

Customisation and Accessories

See our **Colour chart** for all the fabric colours* available

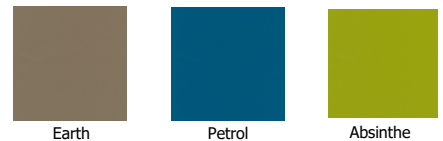

More than 40 colours

* The AHF colours may change (new colours, changes to shades)

GINKGO fabrics

URBAN fabrics

Accessories & Options available

- 2 castors at the back
- Integrated sound strip
- Removable headrest

Hygiene & Disinfection

- The fabrics comply with standard NF EN 15973: clean with a pH neutral soap and a soft brush. Clean stains such as pen ink, coffee, etc. immediately to avoid the stain migrating through the coating on the fabric and becoming permanent.
- Cleaning products must be sprayed on or applied with a disposable cloth
- It is also recommended to start cleaning at the top and work down
