

MONTARCHER footstool

Long Stay Seating

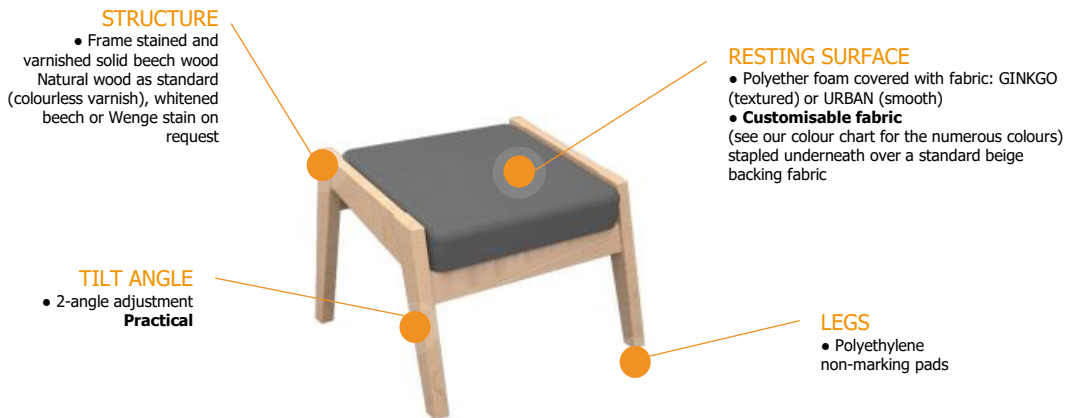

Metal frame, 4 legs, tilts to 4 positions

REF. FMPOUFMONTAR

The **MONTARCHER** footstool has been specially designed for residential facilities for the elderly. Thanks to the combination of wood and fabric, combined with the ergonomic upholstery, our MONTARCHER range is one of our most popular for nursing home bedrooms. Our numerous different fabrics will allow you to match your chairs to the bedroom decoration. Our design department is also on hand to create bespoke versions to your specifications.

Hygiene & Disinfection

- The fabrics comply with standard NF EN 15973: clean with a pH neutral soap and a soft brush. Clean stains such as pen ink, coffee, etc. immediately to avoid the stain migrating through the coating on the fabric and becoming permanent.
- Cleaning products must be sprayed on or applied with a disposable cloth
- It is also recommended to start cleaning at the top and work down
