

MOMENTA chairs

Short Stay Seating

Metal, 4 legs or cantilever chair

REF. FMMOMENTA, FMMOMENTA+

The **MOMENTA** chairs have been specially designed for hospitals and healthcare facilities. Robust, customisable and comfortable, they are available in 2 different designs (4-legged or cantilever). Our numerous different fabrics will allow you to match your chairs to the bedroom decoration. Our design department is also on hand to create bespoke versions to your specifications. AHF also designs and makes carver chairs, footstools and armchairs with fixed or tilting backrests for its customers.

Hygiene & Disinfection

- The fabrics comply with standard NF EN 15973: clean with a pH neutral soap and a soft brush. Clean stains such as pen ink, coffee, etc. immediately to avoid the stain migrating through the coating on the fabric and becoming permanent.
- Cleaning products must be sprayed on or applied with a disposable cloth
- It is also recommended to start cleaning at the top and work down
