

# SIDE RAILS - LONG STAY

For residential facilities for the elderly  
Half-length rails, 3/4-length rails, full-length rails  
REF. LSUGH2BPLTXO1/2G2, LSUGH2BPLTXO6, LSUGH2BPLPLF

The side rails for AHF's hotel-style medical beds for long stay settings are made in our factories in France. They are designed to be **user-friendly and lightweight while remaining robust**. Crafted from carefully selected high-quality materials, our bed rails are not only very aesthetic, but also seamlessly integrate with our AHF made beds.

Bed rails & Product reference	Compatibility With beds	Description & Technical data	Weight
